DISCOVER
the wonders of
NATURE
through the eyes of a child!

I hear, and I forget. . . I see, and I remember. . . I do, and I understand! Chinese Proverb

Help prevent 'nature deficit disorder' * in today's children! (*Richard Louv) Spend some quality "one-on-one" time with a young child and see nature from a whole new perspective. Camp Fire USA – San Diego & Imperial Counties offers a special **SUNDAY IN THE PARK** once a month, where an adult and child can explore seven acres of rustic land right in the middle of San Diego, in Balboa Park. Pack your picnic or snack, and come take a hike in the woods, observe the behavior of some silly squirrels, discover a bug under a rock or in a decaying log, make a nature craft, create unique prints from nature, go on a scavenger hunt, watch an Orb weaver spin his web , learn about animal habitats, life cycles, adaptations. . . and more!
Ages - toddlers to teens.

Pre-reservation is required so we will have enough materials for each child. Activities are age appropriate.

One adult and one child \$ 15.00 each week.

If two children attend – there must be two adults who attend.

This is a "one-on-one workshop" where the child is the focus.
One adult is not able to totally focus on two children and spend quality time together.
