

**CAMP FIRE USA SAN DIEGO & IMPERIAL COUNTIES COUNCIL
 BOARD OF DIRECTORS – COMMITTEE MEMBERS AND
 FRIENDS OF CAHITO – WOLAHI & NOCABA
 CANDIDATE QUESTIONNAIRE
 (Completed by Candidate / or Sponsor)**

As we approach our 100th Anniversary Nationally (March 2010), and our own 82nd Birthday – we are looking for dynamic people to join our Board of Directors who want to help children reach their full potential through their involvement in our Camp Fire programs. We just finished one of the best summers at Camp Cahito in years serving over 700 children ages 3 years old to teens. Wolahi is preparing for it's first summer of campers (rustic camping) since the Cedar Fires. Nocaba has just expanded it's program to include a new preschool. There are many ways to serve our Council – (1) as a member of the Board of Directors (2) as a member of one of our many committees (3) as a Leader of a Camp Fire Club or (4) as a volunteer in the office or with special events. We would like to encourage the parents of our Day Campers to become more involved.

I am interested in becoming more involved in the programs at Camp Fire USA – San Diego & Imperial Counties Council.

Friends * of Cahito Friends * of Nocaba Friends* of Wolahi

** The "Friends of.." the three programs work closely with the Program Directors and oversee everything that is going on at those sites and organize committees to make things happen to keep those sites open and serving our youth. We need active committees at this level to make sure there is a strong foundation and goals built on collaboration and open communication between the staff, parents and the board.*
